Forecast for Saturday 19 Sep 2020

Weather: Areas of low cloud will clear by late morning then dry with some spells of sunshine. Some high cloud may spoil the unbroken sunshine especially in the morning. Mist reforming inland late evening.

Chance of cloud free mountain/hill tops above 800m: Areas of fog and low cloud beneath 300 metres at first, much of this burning off by late morning. Otherwise summits should be largely clear of cloud.

Visibility: Mostly very good with good air clarity.
